Orientation

In order to complete your enrolment successfully, you must attend orientation. International students will receive an orientation plan which explains the orientation process as part of their COE package.

Unique Student Identifier (USI)

All students studying nationally recognised training in Australia from 1 January 2015 will be required to have a Unique Student Identifier (USI). A USI is an account (or reference number) made up of numbers and letters. The USI will allow students online access to their training records and results (transcript) through their online USI account. Each student will need a USI to obtain their certificate or qualification from their registered training organisation when studying nationally recognised training in Australia. For more information visit www.usi.gov.au or ask at Reception. You can either apply yourself for your USI or ask at Reception and we can do it on your behalf or assist.

Overseas Students Health Cover

When you enrol with Victory Institute, you are required by law to have Overseas Student Health Cover (OSHC)
For more information visit <http://www.nib.com.au/overseas-students>

Tuition Protection Service (TPS)

The Tuition Protection Service (TPS) is an initiative of the Australian Government to assist international students whose education providers are unable to fully deliver their course study. The TPS ensures that international students are able to either:

- I understand that my personal information may be shared with the Australian Government, designated authorities and the Tuition Protection Services. This information may include personal and contact details, course enrolment details and changes and circumstances of any suspected breach by the student of a student visa condition.
