#### TERMS AND CONDITIONS - INTERNATIONAL STUDENTS

#### REFUND POLICY

Our refund policy is included in the Letter of Offer and Written Agreement that you are required to sign prior to commencement of your course to indicate acceptance of the offer of enrolment and the terms and conditions specified.

The following tuition and non-tuition fees are not refundable under any circumstances, including visa rejection:

- Enrolment application fee: \$200 (required to process your application)
- Airport pick-up fee: \$165 (optional)
- · Homestay accommodation placement fee: \$290 (optional)

#### Homestay accommodation

The homestay accommodation placement fee of \$290 is non-refundable. All homestay accommodation fees must be paid to the agent unless otherwise advised by the agent. Requests for refunds of homestay accommodation fees must be made to the agent. Victory Institute does not guarantee or refund any homestay accommodation fees.

#### **Education agents**

If you use an education agent and that agent charges their own fees to students (in addition to Victory Institute's tuition and non-tuition fees), those fees remain the responsibility of the agent. Victory Institute is not responsible for the agent's own fees and does not protect or refund those fees under any circumstances. Students who wish to seek a refund or have the amount they owe on their fees reduced must apply to Victory Institute using the Refund Application Form. If your refund is approved, you can have it paid to you or you can nominate another trusted person to receive the money if you prefer. You are asked to specify the recipient (yourself or someone else) and provide the recipient's contact and bank details on the Refund Application Form.

#### Victory Institute will:

- · Assess your request fairly and in accordance with the Fees and Refunds Policy and Procedures.
- Issue you with the decision in writing, using the Notice of Refund Decision letter within 10 working days of receipt of the Refund Application Form
- If the refund is approved, detail how the refund was calculated and issue the refund within 10 working days of providing the outcome to the students.
- If the refund was not approved, explain the reason for the decision and your right to lodge an appeal of the decision within 20 working days of the date of the Notice of Refund Decision letter, in accordance with Victory Institute's Complaints and Appeals Policy and Procedures.
- Require you to accept the decision in writing and give you a copy of the decision for your records.
- · Maintain our records of the decision, the acceptance and any refunds paid to you for at least 2 years after you ceases to be an accepted student.

#### Refund prior to course commencement

- 100% refund where student is refused a visa
- 100% refund where Victory Institute cancels the course prior to commencement
- 80% refund where a student withdraws 29 days or more before cause commencement
- 0% refund where a student withdraws less than 28 days before the course commencement.

#### Refund after course commencement

- A full refund will be paid in the event of Victory Institute default.
- If a student is refused a visa but has already commenced their course, non-tuition fees will not be refunded. However,
  - For ELICOS course, tuition fees will be refunded from the day of the student default as per Section 7 of the ESOS Act (Calculation of Refund) Specification 2014. The student will be refunded the weekly tuition fees multiplied by the number of weeks the student is in default.
  - For VET course, fees will not be refunded.

#### Other circumstances where no refund (0%) will be provided

- If a student is refused a visa and the reason for the refusal is:
- Did not start the course at the location on the agreed starting day or;
- Withdraws from the course at that location or;
- Did not pay the tuition and non-tuition fees due
- · Victory Institute terminates a student's enrolment because of a failure to comply with Victory Institute's policies, unsatisfactory academic progress or attendance
- If a student is in breach of their student visa conditions
- If a student has supplied incorrect, false or misleading information.

Victory Institute may consider written requests for refunds due to compassionate and compelling circumstances as indicated above and may increase the refund amount.

#### Outcomes of refund decisions

Within 10 working days of receipt of your completed Refund Application Form, Victory Institute will review the application and supporting documents, and issue you with a Notice of Refund Decision that will explain:

- · Whether or not the refund was approved
- If it was approved, the amount of the refund and a detailed explanation of how the refund was calculated
- If it was not approved, the reasons for the refusal and your right to appeal the decision in accordance with Victory Institute's Complaints and Appeals Policy and Procedures.

If the refund was approved, Victory Institute will Issue the refund or adjustment notice within 10 working days of providing the outcome to the students.

You are responsible for keeping a copy of the signed Enrolment Application Form and the Letter of Offer and Written Agreement, as well as receipts of any payments for tuition fees or non-tuition fees.
